- The laser marks the material rather than etching it.
- This results in a smooth finish surface with very high resolution lettering or images.
- Compatible with all CO₂ lasers. Recommended for interior use.
- Custom cut plates, disks and strips are available. Specify size and quantity required.
- Pre-packed as 5 sheets per case. Can also be sold separately.

- Sheet Size : 10" x 12", 12" x 20", 20" x 24"
- Thickness : .005 (adhesive only)
.020
