Brown - A7	Teal - A42	
Gold - A92	Dusty Mauve - A45	
Silver - A93	Plum - A47	

Poly Brush - POL-000 (included in both kits)

- Acryfil is a specialized formula of polymer acrylic developed especially for use with reverse engravable materials.
- Acryfil applies smoothly and easily, is self-sealing, non-toxic, and water based.
- Paints are mixable to create custom colors.
- Primary colours are available individually.

Rub 'n Buff®

The Original Wax Metallic Finish

- Rub 'n Buff is wax base metallic finish.
- This unique blend gives a finish that no paint can duplicate. It can be applied to any clean, dry surface as well as over previously painted surfaces.
- Easy to apply, just rub onto any surface with finger or soft cloth, then buff to a lustrous finish.
- Ideal for picture frames, crafts, stenciling, antiquing, home decor, restoration, faux finishing.
- One tube covers up to 20 square feet.
- Call for additional colours.

RUB-BLUE	Sapphire Blue	1/2oz. (15ml)
RUB-GOLD	Gold Leaf	1/2oz. (15ml)
RUB-PURP	Purple	1/2oz. (15ml)
